We express our appreciation to **Valley View Funeral Home** for their generosity in donating their services & time to printing our weekly bulletin.

**THANK YOU!! FROM PREGNANCY CARE CENTRE** We are overwhelmed by the tremendous response to our Baby Bottle Brigade Fundraiser for 2020 and our gratefulness for your participation in this hard time is felt deep in our hearts. Your gift brought our total offering to over \$26,909.00. Your generosity and selfless giving will go a long way in helping our clients to make informed choices and to support the following programs: **Bumps and Babies**-an eight-week program that is offered to our expected moms and those who have little ones including topics like fetal development, attachment, healthy parenting, conflict resolution, values, personality assessments and much more. These clients are mentored by Centre volunteers and taught by both volunteers and others from the community with resources to help them succeed. **Prenatal Classes** (one on one or in a group) –Our volunteers who are now or have worked in the nursing field open their hearts to women to guide them through 5 weeks of prenatal classes to prepare them for the delivery of their special little ones. **True to You** - Bringing sexual education into the schools in the Okanagan Valley area in a sensitive manner and providing students in schools with information needed to make healthy sexual choices including abstinence as an option. **Living in Color** - a 12-week program helping women to receive God's forgiveness and healing for past abortions **Material Support Room** –We have a wonderful support room that is filled with maternity clothes and gently used clothing items for children up to the age of two. We also have diapers, formula, breast pumps and educational toys for the families that are struggling to make ends meet. **Bursaries and Scholarships** – Every year we give out 4 to 5 scholarships to help young people who may come from a single parent home or are currently parenting to continue their education. **Options Counselling** - Our peer counsellors share accurate information about pregnancy options, fetal development, abortion procedures and risks, lifestyle issues or related concerns. All of your questions will be answered openly and honestly. One thing we don't do is offer or recommend for abortions. **Again, we thank you and appreciate you and your stand to help women make choices that can change a world.**

*Rachel's Corner*

*"When you see broken beyond repair, I see healing beyond belief ... When you see nothing but damaged goods, I see something good in the making. I'm not finished yet. When you see wounded, I see mended. You see your worst mistake, but I see the price I paid. There's nothing you could ever do, to lose what grace has won. So hold on, it's not the end. No, this is where love's work begins. I'm making all things new. And I will make a miracle of you."*
