SCAM NOTICE

Bad people hack emails and even phones so never respond to requests for money or aid by me or even the Canada Revenue Services, by email or even by phone.

These days there are so many frauds and scams that no legitimate organization, CRS, our banks or even the Police will fault us for being very, very cautious. So hang up the phone and don't respond to emails for requests for money or personal information. Make them show up at your door because the bad guys never do. - Fr. Pat
